If I am employed, I agree to abide by the rules and regulations of the company. I understand that my employment is at-will. This means that I do not have a contract of employment for any particular duration or limiting the grounds for my termination in any way. I am free to resign at any time, similarly, Sam's is free to terminate my employment at any time for any reason. I understand that while personnel policies, programs and procedures may exist and be changed from time to time, the only time my at-will status could be changed is if I were to enter into an express written contract with Sam's explicitly promising me job security, containing the words "this is an express contract of employment" and signed by an officer of Sam's. The above language contains our entire agreement about my at-will status and there are no oral or side agreements of any kind.

All of the information I have supplied in this application is a true and complete statement of the facts, and if employed, any false statement or omission could result in immediate dismissal. I further authorize you to contact all of my previous employers or references for full information regarding my employment history.

Under state law, an employer may not require or demand any applicant for employment or prospective employment or any employee to submit to or take a polygraph, lie detector, or similar test or examination as a condition of employment or continued employment. Any employer who violates this provision is guilty of a misdemeanor and subject to a fine not to exceed \$100.00.
